

EVALUATION SHEET

How strong is your workshop? 

After collecting your tokens, evaluate your created workshop.
Tick one circle from 1 to 10 for each statement.

1		Does your workshop have a clear purpose, and do the different activities actually contribute to that purpose?	1	2	3	4	5	6	7	8	9	10
2		Does your workshop leave enough room to adapt to the group, the situation and unexpected things that may happen?	1	2	3	4	5	6	7	8	9	10
3		Does your workshop create moments where participants can stop, reflect and make their own connections or interpretations?	1	2	3	4	5	6	7	8	9	10
4		Are Brain, Heart and Muscle meaningfully connected rather than simply appearing as three separate elements?	1	2	3	4	5	6	7	8	9	10
5		Does the workshop make the environmental topic tangible and relevant to the participants' own lives?	1	2	3	4	5	6	7	8	9	10
6		Does it create curiosity and encourage participants to ask questions, explore and discover things for themselves?	1	2	3	4	5	6	7	8	9	10
7		Do participants have real opportunities to make their own choices, contribute ideas and actively shape what happens?	1	2	3	4	5	6	7	8	9	10
8		Does the workshop leave participants feeling capable of doing something, rather than helpless or overwhelmed by the environmental challenges?	1	2	3	4	5	6	7	8	9	10
9		Is there something in the workshop that is likely to stay with participants after it ends - an experience, question, image, feeling or new perspective?	1	2	3	4	5	6	7	8	9	10
10		Would participants leave wanting to know more, try something themselves or continue thinking about the topic?	1	2	3	4	5	6	7	8	9	10
